

**BOROUGH OF CLAYTON
WORK SESSION MEETING
JUNE 11, 2020 – 6:30 PM
MINUTES**

Sue Miller – Discuss possible date for Clayton Day/Fall Fest for fireworks scheduling – Sue advised that they should table this discussion until they get more information from other towns and what they are planning. She also advised that large sporting/group events are at more risk with the COVID 19.

Councilwoman Vondran suggested that it be cancelled for this year so we don't keep disappointing everyone with changing dates.

Tom suggested giving it another month to see what happens. The fireworks vendor may end up being booked until later in the year and then it would be too cold to have fireworks. We will talk about again at the next meeting in July.
