Additional Narrative

Narrative Prompts: A detailed assessment as to whether representation has improved for any previously identified underrepresented groups
A description of the data used to determine the existence of any underrepresentation.
Any new or modified Program goals to be implemented in the upcoming year

The Clayton Police Department strives to achieve a police department that is representative of the community in which our officers serve. The Clayton Police Department has created a diversity recruitment plan and identified that there was a racial and gender disparity of more than 15% in two categories, when compared to the resident population of the Borough of Clayton. Those two categories were for "African American - Black" and also in reference to the "Female" Gender. The Clayton Police Department attend numerous diversity recruitment events in 2023, in which recruitment efforts were made. Unfortunately, the Clayton Police Department was unable to increase the diversity in those targeted areas (Black) (Female) in 2023. Though it should be noted that the (1) person hired by Clayton PD in 2023, was of Asian descent. In addition, the person was of the Islamic faith. In 2024, Clayton Police Department will continue to strive towards having a proportionate representative of officers compared to the population of Clayton. The Clayton Police Department will continue diversity recruitment efforts as previously planned in our recruitment strategy, in addition we will advertise on a County Sponsored Diversity Recruitment Website in 2024.
