RE: Permit Reimbursement

7/5/19

Dear Donna,

Our office had issued a construction permit for the property located at 3 Hewitt Court (Block-2105.05 Lot- 20) on August 1, 2018 to SolarCity Corp DBA Tesla Energy for the installation of a solar panel system. A letter has been received dated June 25, 2019 from SolarCity Corp DBA Tesla Energy (see attached) stating that the installation of the solar panel system will not be done. SolarCity Corp DBA Tesla Energy is requesting that we void the permit and reimburse them for the work that has not been started.

Please issue a refund to SolarCity Corp DBA Tesla Energy in the amount of \$164.00. Thank you for your attention to this matter.

Sincerely
