RE: Permit Reimbursement

Dear Donna,

Our office had issued a construction permit for the property located at 73 West Dehart Ave (Block- 1904 Lot- 11.95) on June 6, 2016 to SolarCity for the installation of a solar panel system. We have received a letter via fax dated September 28, 2016 from SolarCity (see attached) stating that the installation of the solar panel system will not be done. SolarCity is requesting that we void the permit and reimburse them for the work that has not been started.

Please issue a refund to SolarCity in the amount of \$140.00. Thank you for your attention to this matter.

Sincerely,

Jack Eckler
