Letter of Recommendation

Clayton Towing Service 2018

On October 28, 2017 Steve's Auto Repair filed a Tow list license application with the Borough of Clayton. The application had a photo copy of a check issued to the Borough of Clayton for \$250.00 for the filing fee. I, Sgt. Lauren Franklin of the Clayton Police Department reviewed the application and all the paperwork was in order. I found all the tow truck operators to have a valid New Jersey Drivers licenses, and all tow trucks were registered and insured.

On November 30, 2017, I conducted an inspection of the facility, located at 3220 Route 42 Sicklerville New Jersey. The employee, Kenneth Rainer, walked me around the property. I found the facility to be able to store at least 25 passenger vehicles and one tractor and trailer. I observed the inside storage facility was at least 800 square feet, and the property was equipped with a surveillance system. All the tow trucks had the proper equipment, reflective jackets, emergency lights, snatch block per winch, ample chains, a broom, shovel, jumper cables, fire extinguisher, flares, sand or a drying compound for fluid cleanup, and tarps/blanks. I contacted the township clerk and inquired about the property taxes. The clerk advised me the taxes for the property were up to date. I would recommend Steve's Auto Repair for a towing license for 2018.
