Dear Ms. Newcomb:

Please be advised that this office conducted a walk-through of the site to determine if the Maintenance Bond can be released.

Based on the findings of our construction observation, we are informing the Borough that the work associated with this project has been deemed acceptable. At this time, we would recommend final acceptance of the work and the release of the Maintenance Bond.

We request that this matter be placed on the agenda for the next available Borough Council meeting. Therefore, by copy of this letter, we would request that the Borough Solicitor prepare the necessary resolution for the Council's consideration.

Thank you for your assistance in this matter. If you have any questions, please contact this office at (856) 848-6800.

Very truly yours,
