Letter of Recommendation

Clayton Towing Service 2022 Year

On November 15, 2021 **Porchtown Recyclers** filed a Tow list license application with the Borough of Clayton. The application had a photo copy of a check issued to the Borough of Clayton for \$250.00 for the filing fee. I, Sgt. Lauren Franklin of the Clayton Police Department reviewed the application and all the paperwork was in order. I found all tow truck operators to have a valid New Jersey Drivers licenses, and tow trucks were registered and insured.

On November 22, 2021, I conducted an inspection of the new facility, located at 4408 Route 40, Newfield, New Jersey. I met by an employee, who walked me around the property. I found the facility to be able store at least 25 passenger vehicles and one tractor and trailer. I observed the inside storage facility was at least 800 square feet. The Facility had a working indoor and outdoor surveillance system. All tow trucks had the proper equipment reflective jackets, emergency lights, snatch block per winch, ample chains, a broom, shovel, jumper cables, fire extinguisher, flares, and sand or a drying compound for fluid cleanup. I recommend Porch Town Recyclers for a towing license for 2022 Calendar year

Clayton Towing Service 2022 Year

On November 15 2021 Steve's Towing Company filed a Tow list license application with the Borough of Clayton. The application had a photo copy of a check issued to the Borough of Clayton for \$250.00 for the filing fee. I, Sgt. Lauren Franklin of the Clayton Police Department reviewed the application and all the paperwork was in order. I found all tow truck operators to have a valid New Jersey Drivers licenses, and tow trucks were registered and insured.

On November 22, 2021, I conducted an inspection of the new facility, located at 1717 Tuckahoe Rd Williamstown New Jersey. Ken Rainer and another employee walked me around the property. I found the facility to be able store at least 25 passenger vehicles and one tractor and trailer. I observed the inside storage facility was at least 800 square feet; they have (6,000ft.). The Facility had a working indoor and outdoor surveillance system. All tow trucks had the proper equipment reflective jackets, emergency lights, snatch block per winch, ample chains, a broom, shovel, jumper cables, fire extinguisher, flares, and sand or a drying compound for fluid cleanup I would recommend Steve's Auto Repair INC for a towing license for 2022 calendar year.
