Dear Mayor Bianco:

On behalf of Governor Phil Murphy, I am pleased to inform you that your community has been selected to receive funding from the New Jersey Department of Transportation's (NJDOT) Fiscal Year 2022 Local Freight Impact Fund Program for Cenco Boulevard Roadway Improvements in the amount of \$900,000.

NJDOT recognizes the role that transportation plays in the movement of people and goods. The Department encourages and supports the advancement of freight projects which emphasize and enhance the safe movement of large truck traffic, renew aging structures that carry significant large truck traffic, promote economic development, and above all supports new transportation opportunities throughout our State. The completion of Clayton Borough's project will help us achieve this goal and pursue a transportation strategy that continues to provide mobility in our state without increasing the tax burden on the residents of New Jersey.

Be advised that if your grant was submitted in the New Construction category, you must consult with your Metropolitan Planning Organization (MPO) so that they may review the scope of the project to determine if it is "Regionally Significant". If your project is determined to be "Regionally Significant", your MPO will need to include it in their biennial conformity analysis.

Should you have any questions regarding your grant, please contact the NJDOT Local Aid District Office in your area.

Sincerely,
