ATTEST:

CHRISTINE NEWCOMB, Clerk

To Clayton Borough Council.

Thank you for your consideration to waive permit fees for Merle Spade Handicapped Project.

My name is Paul Trumbull. I have known Merle since we were in grade school in Elmer. We graduated in 1977 from high school. Last year I found out that Merle was diagnosed with ALS (Lou Gehrig's Disease). I asked if there was anything we could help him with, his wife Cindy told me they could use a handicapped bathroom, since they live in a bi-level home.

I assembled a group of classmate volunteers to help with construction of a bathroom that would assist with Merle's needs. We are ready to start the project.

Your thoughtful consideration to wave permit fees would help us defray the cost.

Thank you,  
Paul Trumbull
