THIS AGREEMENT, made and entered into on the 6th day of November, 2019 by and between **County of Gloucester**, a political subdivision of the State of New Jersey acting by and through its duly elected Board of Freeholders, hereinafter referred to as the "**County**", and the **Borough of Clayton**, a Gloucester County Public Service Subrecipient, hereinafter referred to as the "**Subrecipient**", located within the confines of Gloucester County, New Jersey, and/or serving CDBG-eligible residents of Gloucester County.

NOW, THEREFORE, the parties hereunto do hereby agree as follows:

1. **Use of Funds** – The Subrecipient shall expend all or any part of its CDBG allocation only on those activities contained in the Scope of Services of the Agreement, which activities the Gloucester County Community Development Program shall determine to be eligible for CDBG funds, and shall notify the Subrecipient in writing, via this Agreement and/or subsequent amendments to this Agreement, of such determination of eligibility. Such CDBG funds provided through this Agreement must be fully obligated not later than two years from the date of signing this Agreement: **November 5, 2021**.

Subrecipient shall be paid in accordance with this Agreement upon receipt of an invoice and a properly executed voucher. After approval by County, the payment voucher shall be placed in line for prompt payment.

Each invoice shall contain an itemized, detailed description of all work performed during the billing period. Failure to provide sufficient specificity shall be cause for rejection of the invoice until the necessary details are provided.

It is also agreed and understood that the acceptance of the final payment by Subrecipient shall be considered a release in full of all claims against the County arising out of, or by reason of, the work done and materials furnished under this Agreement.

2. Set-Off - Should Subrecipient either refuse or neglect to perform the service that Subrecipient is required to perform in accordance with the terms of this Agreement, and if expense is incurred by County by reason of Subrecipient's failure to perform, then and in that event, such expense shall be deducted from any payment due to Subrecipient. Exercise of such set-off shall not operate to prevent County from pursuing any other remedy to which it may be entitled.
3. A. Uniform Administrative Requirements – The Uniform Administrative Requirements, as promulgated in 24 CFR Chapter V [Subpart J] at 570.502 and as may be amended, shall apply to all activities undertaken by the Subrecipient with CDBG assistance provided via this Agreement and any subsequent amendments.

The Subrecipient shall also maintain program and financial records documenting the eligibility, attendance, provision of services, and Subrecipient expenses relative to the clients receiving services as a result of assistance provided through the CDBG Program. All records shall be made available, upon County request, for inspection(s) and audit(s) by the County, or by its representatives. If a financial audit(s) determines that the Subrecipient has improperly expended CDBG funds, resulting in the disallowance of such expenditures by the County and/or by the U.S. Department of Housing and Urban Development, the County reserves the right to recover from the Subrecipient other non-CDBG monies to fund such disallowed CDBG expenditures. Audit procedures for the Gloucester County CDBG Program are specified in Section 19 of this Agreement.

- B. Programmatic Record Keeping/Reporting

For limited clientele (including "Direct Services" and "Presumed Benefit") activities the Subrecipient shall provide, on a monthly basis, sufficient information to the County on services carried

out for all persons served and on CDBG eligible persons served by activities receiving CDBG assistance under this Agreement. The purpose of the monthly reporting is to enable the County to prepare and submit periodic and annual reports to the U.S. Department of Housing and Urban Development. These Subrecipient-prepared reports shall be submitted in a format provided by the County [See Exhibit 2, if applicable to this Agreement] and at a time no later than the 15th calendar day of each month of each year until all CDBG funds for the activity(s) shall be fully expended, plus five (5) years. The five-year reporting period should not be confused with the "continued use" provisions of this agreement, as specified in Exhibit 2, "Scope of Services." The County shall provide reporting forms and technical assistance to the Subrecipient on the procedures to be followed to collect and report these programmatic data.

7. Subrecipient's Obligation – The Subrecipient shall be responsible for carrying out its actions in accordance with the certifications contained in Exhibit 1 of this Agreement. The Subrecipient shall take all necessary actions to comply with the requirements of the certifications/assurances in Exhibit 1, and to comply with any requests by the County in this connection; it being understood that the County has responsibility to the U.S. Department of Housing and Urban Development for insuring compliance with such requirements. The Subrecipient will also promptly notify the County of any changes in the scope of services, budget, method of compensation contained in this agreement or character of the activity(s) assisted through this Agreement, and may only be made through a written Amendment to this Agreement, executed by the Subrecipient and Grantee.
8. "Hold Harmless" – The Subrecipient does hereby agree to release, indemnify, and hold harmless the County and its employees and agents, from and against all costs, expenses, claims, suits, or judgments arising from or growing out of any injuries, loss or damage sustained by any person or corporation, including employees of the Subrecipient and property of the Subrecipient, which are caused by or sustained in connection with the tasks carried out by the Subrecipient under this Agreement.
9. Indemnification - The Subrecipient shall indemnify and keep the County harmless against any claim, loss, liability, expense (including costs, counsel fees and/or expert fees) resulting from any negligent or intentional act committed by the Subrecipient.

The Subrecipient agrees that it shall give an authorized County representative prompt written notice of the filing of each such claim and the institution of each such suit or action.
10. Compliance with Laws and Regulations - County and Subrecipient agree that they will at their own cost and expense promptly comply with, or cause to be complied with, all laws, rules, regulations and other governmental requirements which may be applicable to its performance of the services described in this Agreement.

It is understood that the County shall be held accountable to the U.S. Department of Housing and Urban Development for the lawful expenditure of CDBG funds under this Agreement. Therefore, the County shall make no reimbursement of CDBG funds to the Subrecipient and draw no funds from HUD/U.S. Treasury on behalf of a Subrecipient activity(s), prior to having received proper invoice(s) and copies of supporting documentation from the Subrecipient for the expenses incurred, to insure that the Subrecipient has complied with all applicable regulations and requirements.

Environmental Clearance – The County shall be responsible for carrying out environmental reviews and clearances on all activity(s), where applicable, prior to having received proper invoice(s) and copies of supporting documentation from the Subrecipient for the expenses incurred, to insure that the Subrecipient has complied with all applicable regulations and requirements.

Funding provided through this Agreement is “conditionally approved” subject to the completion of the Environmental Review Process by the County. Notwithstanding any provision of this Agreement, the parties hereto agree and acknowledge that this Agreement does not constitute a commitment of funds or site approval, and that such commitment of funds or approval may occur only upon satisfactory completion of environmental review and receipt by the County of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58. The parties further agree that the provision of any funds to projects/activities included in this Agreement is conditioned on the County’s determination to proceed with, modify or cancel the projects/activities based on the results of a subsequent environmental review.

The Subrecipient may not obligate or expend any funds provided through this Agreement until the County provides to the Subrecipient a “Notice to Proceed,” which shall represent in part, the completion of the environmental review process, and the Release of Funds by HUD for the projects/activities contained in the Agreement.

14. Wage Rates (where applicable) – The County and the Municipal Engineer shall be responsible for the preparation of all requests for wage rate determinations on CDBG activities, on behalf of the Subrecipient. This Agreement may be terminated with or without cause by either party, hereto, by giving thirty (30) calendar days written notice of such termination. However, CDBG funds allocated to the Subrecipient under this Agreement may not be obligated or expended by the Subrecipient following such date of termination. GLOUCESTER COUNTY SUBRICIPIENT MONITORING POLICY

GLOUCESTER COUNTY

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

SUBRECIPIENT MONITORING POLICY

INTRODUCTION

The purpose of this document is to define the duties and responsibilities of the County of Gloucester and its Subrecipients in carrying out projects assisted under the Community Development Block Grant (CDBG) Program. A Subrecipient is any local unit of government or organization that received CDBG funds from the County of Gloucester and is assigned responsibility for contract administration.

The administration of a CDBG funded project represents a dual responsibility of both the County and its Subrecipients. The County of Gloucester acts as the grantee recipient of CDBG funds from HUD. As such, the County assumes overall responsibility for program management. As in most federal funding programs, there are numerous conditions, regulations and rules that govern the CDBG Program, and these are legally imposed upon the County through the grant contract issued by HUD.

Once projects are identified, the County may allocate CDBG funds to subrecipients such as local development organizations. In allocating these funds to a subrecipient, the County advises its subrecipients that requests for payment will only be honored when file documentation has been received at the Gloucester County Department of Housing and Community Development (HCD) that supports the expenditure of CDBG funds. In this manner, the subrecipient is compelled to provide supportive documentation before a disbursement of CDBG funds will be made. This procedure has been found to be an effective method of insuring the eligibility of every CDBG funded action being carried out by a subrecipient. The responsibility for submitting project documentation and following acceptable authorization for payment procedures is spelled out through a legal instrument known as a Subrecipient Agreement.

In most cases, the Subrecipient Agreement authorizes the subrecipient to contract for CDBG funded improvements. The role of the County is to provide on-going advice and assistance to the Subrecipient in meeting the requirements of the agreement. Since the County is ultimately liable for the expenditure of CDBG funds and the timeliness of project implementation, it is the County's intent to perform certain program management functions to insure the appropriate and timely expenditure of grant funds.

This document is designed to clarify the process of contract administration and to clearly define the function of both parties to the Subrecipient Agreement.

SUBGRANTEE MONITORING

Monitoring will be conducted as follows:

1. Day to day informal contact in person. This involves informing, directing and answering questions of a routine nature.
2. Periodically, as the situation requires, correspondence will be required to document information flow, decisions or requests and responses to information and reporting needs.
3. On a monthly basis or upon request for reimbursement, Subrecipients shall submit the following information:
 - time records indicating payroll costs, as applicable invoices for expenditures approved by subrecipient
 - contractor payroll for Davis-Bacon verification, as applicable
 - program income, if any

4. The County shall review these items for adequacy relative to financial control and measuring accomplishment of assignment.
5. At least one time each year, a formal monitoring evaluation will be conducted. The monitoring evaluation will be based on the format of the checklist attached to this document and identified as Exhibit "A".
6. The timing of the formal monitoring evaluation will be designed to coincide with HUD performance reporting requirement. The County's annual Grantee Performance Report, (CAPER), must be submitted to HUD no later than 90 days after the anniversary of the County's CDBG Program Year. In order that subrecipient performance can be incorporated into the County's annual CAPER, the following subrecipient monitoring schedule will be followed:
 - Subrecipients will complete an evaluation and summary of its CDBG funded activities for the prior CDBG Program Year within 30 days after the anniversary of the County's CDBG Program Year.
 - The County will complete its formal monitoring evaluation of its subgrantees no sooner than 30 days and no later than 60 days after the anniversary of the County's CDBG Program year.

7. Upon completion of the annual monitoring evaluation, the County will make a determination as to the overall capacity of the Subrecipient. The determination will be based on the following criteria:
 - progress toward achievement of assignment
 - compliance with program requirements
 - expenditures and budget balance in terms of their adequacy to complete assignment and meet objectives
 - staffing adequacy and quality of performance
 - adjustments necessary (if any) to the assignment
 - adequacy of record keeping for grantor monitoring and audit purposes
8. The County shall determine if more frequent formal monitoring is required.
