RE: Permit Reimbursement

Dear Donna,

Our office had issued a construction permit for the property located at 272 W. Chestnut Street (Block- 226 Lot- 31) on August 20, 2019 to SunRun for the installation of a Solar System. We have received a letter via mail dated November 25, 2019 from SunRun (see attached) stating that the Solar Panels will not be installed. SunRun is requesting that we void the permit and reimburse them for the work that has not been started.

Please issue a refund to SunRun in the amount of \$183.00. Thank you for your attention to this matter.

Sincerely,

Jack Eckler

Construction Official
