Letter of Recommendation

Clayton Towing Service 2020

On November 15, 2019 Porchtown Recyclers filed a Tow list license application with the Borough of Clayton. The application had a photo copy of a check issued to the Borough of Clayton for \$250.00 for the filing fee. I, Sgt. Lauren Franklin of the Clayton Police Department reviewed the application and all the paperwork was in order. I found all tow truck operators to have a valid New Jersey Drivers licenses, and tow trucks were registered and insured.

On November 25, 2019, I conducted an inspection of the new facility, located at 4408 Route 40 Newfield, New Jersey. I met Joe Ezekiel, who walked me around the property. I found the facility to be able store at least 25 passenger vehicles and one tractor and trailer. I observed the inside storage facility was at least 800 square feet. The Facility had a working indoor and outdoor surveillance system. All tow trucks had the proper equipment reflective jackets, emergency lights, snatch block per winch, ample chains, a broom, shovel, jumper cables, fire extinguisher, flares, and sand or a drying compound for fluid cleanup. On November 25, 2019 I went to the Franklin Twp. Tax office and found Porch Town Recyclers was paid up to date with their taxes. I would recommend Porch Town Recyclers for a towing license for 2020
